# Hastings-on-Hudson High School Alumni Association

*"A School Without A Past Has No History"*

The Hastings-on-Hudson High School Alumni Association, Inc. was founded in October 2000 as a Not-for-Profit Charitable Corporation, a 501 ( c ) (3) tax exempt charity under NY State law. Contributions are tax deductible by the donor and eligible for corporate matching gifts.

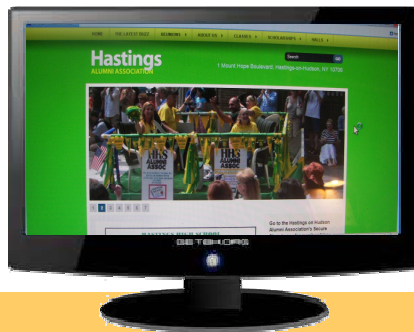

If you have a "Where Are They Now?" story about meeting up with a former classmate, or a "Tribute to a Former Teacher" that inspired you, please send it via email or snail mail to AUGIE or any of the HHSAA Board Members **-and hey, don't forget to include a photo. Please keep your story to 250 words or less.**

It's not easy picking a favorite teacher.... Miss Jones was good but she sent me to the Principal's office too often for sneezing too loudly. Miss Mattriski was good for Gregg shorthand but — don't laugh, I was the only guy in the class... not a bad deal for a Sophomore.

So, pick your favorite teacher. It's hard — they were all good.

# 60TH REUNION

## CLASS OF 1952

Defying its tradition of never having a numbered reunion on the correct year, the Class of '52 held its 60th reunion on the reunion weekend, the end of September 2012. Some of us gathered on Friday evening at the community center with other alumni. Jan Koster Gunther and her husband, Ray ('51), were able to be with us. Saturday we attended the Alumni Association meeting and took a brief tour of the school. Most of us had never seen the Cochran Gym. After a Main Street lunch we visited the Newington-Cropsey Foundation, another local landmark that wasn't there when we were in school.

Early Saturday evening we reconvened at Maud's Tavern for dinner. Attending the dinner were Bob Buzak, Chip Comstock, Pete Freck, John Gonder, Joan Farmer Hankins, Jack Kane, Joe Mennona, Betty Ann Newell Newton and Maxine Spiegel. Chip's sister Polly ('54), spouses and daughters filled the room. Conversations went on into the evening and we all left with the feeling that it was a great reunion.

*This photo was taken by Joan's daughter, Abby Rugowski. From left to right you can recognize: John, Pete, Joan, Bob, Maxine, Jack, Betty Ann, Joe and Chip.*

### HASTINGS HISTORICAL SOCIETY

### Society Embarks on Important Community Project to Honor Veterans

While working on our current exhibit, "Hastings Serves: World War I and II, Korea and Vietnam", we realized that Hastings has no honor roll or memorial monument for the Korean or Vietnam conflicts. It seemed to us that it is time for Hastings to give well deserved recognition to our Hastings veterans who served our country in all these wars.

There are two essential early tasks that we are embarking upon. One is collecting all the names of Hastings people who served in Korea and Vietnam. Pete Muraik (HHS '64), a Vietnam veteran working on this effort, has already put together a long list of names, but we know there are more people who belong on our official honor roll. We are counting on everyone to provide names and contact information for anyone they know who served. Although we will leave blank spaces on the monuments for additional names, it is preferable to have the names at the outset.

The other task is to raise money to finance the monuments. The Hastings Village Board of Trustees and the VFW are in support of this project and are part of what will be a community-wide effort. Our hope is to see the money raised before summer, and to have the completed monuments in place by Veteran's Day of this year. With your support, this worthy goal can be achieved. Veteran's names and your donations to support this important effort may be sent to the Hastings Historical Society at 407 Broadway, Hastings-on-Hudson, NY 10706. Donations should be clearly marked for the "War Memorial Project."

#### Historical Society Exhibit: "Hastings Serves: World War I and II, Korea and Vietnam"

This exhibit highlights and honors the efforts of Hastings residents who have actively served in the military and those who served at home.

It includes photos and memorabilia from World War I, World War II, and the Korean and Vietnam conflicts. A special section of the exhibit features 15 current portraits of Hastings men and women who served our country, photographed by members of the Hastings High School Photography Club under the direction of their adviser, Marty Merchant.

"Hastings Serves" had its gala opening on October 21, 2012, when over 50 veterans and their families, Hastings High School Photography Club members, and other Hastings residents turned out to view the exhibit. Since that time, we've had a steady stream of visitors during our regular visiting hours, which are Mondays and Thursdays from 10am to 2pm. We are also open on occasional weekend days. Check our web site for special weekend hours throughout the year. If you haven't seen the exhibit, we urge you to stop by and take a look. The exhibit will be open through August 2013.

# CLASS OF '62 CELEBRATES 50TH REUNION

MAY 18-20, 2012

**SUNDAY morning group inside James Harmon Community Center (from L to R):**

**Brian Reilly, Robin Adams Youngdahl, Evelyn DeSouza DiGuglielmo, Bob Licht, Lorrie Sherwood Speckman, Maureen Connery Gould, Susie Koval Magee, Dale Domcheck Lattimer, Rich Warner, Kathleen Fitzgerald Cotroneo, Deborah Maher, Bob Ebe, Estelle Kelter Schoneberger, Terry DeRossett, Richard Onofrietti, Mario DeGiorgio.**

A beautiful spring weekend offered 35 classmates of HHS Class of 1962 a chance to **GO HOME AGAIN**, and an opportunity to enjoy a special time together of reconnecting, reminiscing, and reveling in our common good fortune of having grown up and attended school in Hastings. Having come of age back in **THE '60s**, we were delighted to have this opportunity to come together again, now that we are in **OUR 60s**. The title, "**seniors**", has certainly taken on new meaning for us now. We missed a number of other classmates with whom we have contact, but who were unable to join us, and many attendees expressed hopes of keeping in touch and planning for another reunion, perhaps in 5 years.

Friday evening was welcome night, held at the Rainwater Grill on Main Street, with classmates chatting informally and the noise level reminding us of our old school lunchroom! A few classmates were able to join us only on Friday evening. Our class President, **Steve Wilson**, and Vice-President, **Steve Marchetti**, planned and facilitated a very fun and interesting "Trip Down Memory Lane" on Sat. morning at HHS, where we talked about and recognized both common memories and differing personal experiences and perspectives. On Saturday afternoon, some classmates toured the village with visits to the Cropsey Museum and the Hastings Historical Society. We enjoyed our Saturday evening dinner/dance at the Riverview with great food, DJ music, and beautiful views of the Hudson and the Palisades as background to further conversations for catching up with classmates, and meeting spouses and other guests. On Sunday morning, those who were able to attend enjoyed a farewell brunch at the James Harmon Community Center (our Youth Center in the old days!) Three days of reunion activities, all within our old hometown, gave us nostalgic memories and good opportunities for catching up with classmates on 50 years since we graduated from HHS!

We took away many fond memories and a Reunion Yearbook to keep us connected until our next reunion, perhaps in 5 years in 2017!

Until then, we will enjoy the DVD recorded during our Saturday evening together at the Riverview. We were pleased to be able to contribute on behalf of the Class of 1962, a donation of \$250 to the HHS Alumni Association from funds remaining after our reunion expenses. Our 50<sup>th</sup> Reunion was a great success, thanks to the efforts of our planning committee, including our hometown anchorman, **Bob Licht**, and others: **Steve Wilson, Steve Marchetti, Dale Domcheck Lattimer, Evelyn DeSouza DeGuglielmo, Jean Lonberg Loewenberg, Sheron Molnoski Medovich, Kathy Fitzgerald Cotroneo, Susie Koval Magee, Lorrie Sherwood Speckman, and Deborah Maher.**

**Project SHARE**

**HHS MOTHER'S CLUB**

**SOUTHSIDE ATHLETIC & SOCIAL CLUB**

THE HHS ALUMNI ASSOCIATION'S Board of Directors, Steve Cuppek, Alan Fine, Nancy Maleska, Patty Speranza, Augie Andronica, Connie Bliss, Joan Lee, Nancy Gagliardi and Raf Zaratian manned the tables and handed out HHSAA applications. The Alumni Association is planning to award 8 scholarships this coming June to HHS seniors totaling \$15,000!

This undertaking would not be remotely possible without our altruistic benefactors and generous alumni members. So, the HHS Alumni Association would like to express our sincere THANKS to those of you who make it possible for this organization to continue our primary mission of Paying It Forward.

The alumni association wishes to convey its gratitude to the distinguished and well-known organizations mentioned above that helped make this event a success. Lastly, applause, applause SLICES for supporting HHSAA events and for donating the pizza.

## Greetings.... from the President of the Alumni Assn.

Hello Fellow Alumni and Friends.

I am happy to report that we continue to make terrific progress in our goal to build and strengthen the community of HHS grads and in exploring new opportunities to boost our fundraising endeavors.

Our membership continues to grow, thanks in part to our foray into the world of social networking through Facebook, courtesy of our “techie” - Raf-Z. We’re pleased by the rapid rise in the number of connections we’ve made and we hope it translates into increased participation in Alumni Association activities, increased attendance at the upcoming Awards Banquet and increased donations. If you are a Facebook member and not yet an alumni member, please consider joining our group.

THANK YOU to all our association members who have paid their 2013 dues and in so doing, keep this organization functioning and flourishing. Our deep gratitude to those big-hearted members who have given over and above the customary association fees — donating generously to the HHSAA Scholarship Fund and thereby allowing us the opportunity to assist deserving HHS seniors meet their college goals. We ‘pay it forward’ this June when we bestow eight scholarships totaling \$15,000. Yes, your dues and generous donations have allowed this organization to multiply its annual endowments — from just one scholarship in 2000 to a total of eight awards in 2013! Now that’s what we call impressive, isn’t it?

We will be celebrating the third induction ceremony for the HHS Hall of Excellence on September 28, 2013. This distinguished alumni awards banquet will be held during Homecoming Weekend, Sept. 27 - 29, 2013. We hope you will make plans to join us at the recognition banquet on Saturday evening at the Hastings Southside Athletic & Social Club, when we acknowledge the post high school deed and accomplishments of the Hall’s newest members.

The HHS Alumni Association did participate in the Village’s Memorial Day parade again this year. We had such a great time doing so last year that it didn’t take much convincing or arm-twisting to get us to take part in it again. It was also a great opportunity for us to get the Association’s name and our mission out to the Hastings community. If you were in town, we hope you enjoyed this holiday celebration.

Some of you may have noticed the many changes that have been made to the HHSAA website. The objective is to provide a site that members will find useful and interesting — a place you will want to return to on a regular basis. We would greatly appreciate your feedback and ideas about:

**“hohalumni.org”**

Thanks for supporting us and be certain to stay connected.

# Hastings Light Festival

## "Light on the Rocks"

**JULY 13, 2013 At 7:00pm**

(rain date July 14th)

The Hastings Lights Festival will be a yearly event produced by the Hastings Phoenix Foundation in association with the Hastings Chamber of Commerce, Hastings Alumni Association and Hastings Friday Night Live. It celebrates the Hudson River and its renewal with food, music, lights (light sticks and helium balloons with LCD lights in them), culminating in a laser show projected from Hastings-on-Hudson, NY onto the NJ Palisades across the Hudson River. It's going to be one great night of fun, eye rewarding amazement that you won't want to miss. This year the waterfront location will be MacEchron Park.

This special laser event will raise money to develop:

- Hudson River and Hastings-on-Hudson awareness to outsiders
- Hastings-on-Hudson tourism
- Commercial businesses in and around Hastings-on-Hudson
- Financial support for Westchester charities, organizations and worthy groups
- Micro-loans to companies and individuals who demonstrate that the loan will assist in the growth of Hastings.

The Hastings Phoenix Foundation is looking for corporate donations of \$1,000 or more. WHAT A GREAT WAY TO PROMOTE YOUR BUSINESS OR ORGANIZATION. To make a good opportunity even better, Micro Films will honor a donation of \$5000 towards the "Hastings Light Festival" by granting a "thank-you" credit to the corporate sponsor at the end of its new feature film, "Catalyst", being shot in Hasting-on-Hudson this summer. "Catalyst" was written and will be directed by Alan Fine (Class of '75). So, not only will your logo be seen on the rocks across the Hudson, it will forever be a part of this very promising film. This will be a fantastic night of fun at this extraordinary "HASTINGS HAPPENING". If you know of a corporation that would like its message projected on the Palisades, or if you would like to discuss the details of a sponsorship role in the Hastings Lights Festival this year, please contact Alan Fine or Rafael Zaratzian ...["info@hohalumni.org"](mailto:info@hohalumni.org). Sponsorship donations will be accepted by the Hastings-on-Hudson Chamber of Commerce, Inc., 560 Warburton Avenue, Hastings-on-Hudson, NY 10706, and are tax deductible.

A special thanks to all of the following who have contributed so much in this effort.

- The Palisades Park Commission, who has granted permission to project on their rocks.
- Our laser company, CT. Lasers, LLC., who works routinely with the Federal Aviation Administration and Coast Guard, so permission will be granted for the event.
- In the years to come, as this event grows, Metro North has agreed to make Hastings a major destination; they will sell admission to future events bundled with train fare through their ticket machines. They will also put us in their pamphlets and fliers.
- Hastings-on-Hudson Mayor Swiderski, Village Manager Frobels, Police Chief Bloomer, the Rivertowns' Tourism Board, Friday Night Live and the Hastings Alumni Association.
