In memory of  
**Brian Foster**  
1956 - 2018

Peers of Hastings High School, as Richard Nixon once said, "If you can't lie, you'll never go anywhere." Despite weekly Bosley hair recovery sessions, many days of protein for dinner, and olive oil scalp massages, we have failed to fulfill our primary promise. Mr. A's hair recovery is a lost cause, and all future presidents should know that trying to recover it, is a fruitless endeavor. We would like to formally apologize for the let down.

Although we failed to bring back our principal's hair, it was a pleasure yelling I-T-S H-U-M-P D-A-Y on Wednesdays and occasionally playing rooster crows to wake everyone up. We would like to thank Mrs. Cocucci for keeping us organized every morning and Mrs. Gagliardi for tolerating our buffoonery and sometimes even participating in it. The occasional "what's wrong with you guys" from Ms. Hardesty's office was nice as well, always motivating us to spice up our shenanigans.

Despite our early morning meetings, we have loved working with Mrs. Kocur and the Student Union, planning and executing HHS's biggest events and begging weekly for dances. Sorry Mrs. Kocur. We would also like to thank the Hastings Police Department for protecting and serving, especially on the weekends.

Just as Nas said, "if you're scared to take chances, you'll never get the answers." Go take chances HHS. Go run for president or run track. Go try-out for the play or try-out a new style. Find what you love, and dive into it, even if it's scary, and even if you are a freshman. Be yourself, or be someone else on Halloween! Believe in yourself, no matter how tough it gets. Give yourself chances, and give the others around you even more. It has been our honor to represent you all, and we cannot wait to see what you will accomplish.

9:30 announcements will forever be a part of our lives. Thank you all for bearing through them with us. And we are proud to say that we will be wishing Mrs. Thompson a Happy Birthday every Tuesday from our dorm rooms next year. #DosinArmacost2018.

Brian Dosin and Colson Armacost  
SU President and Vice-President

Throughout this year, we have experienced stress. May it come from school or even socially, it filled our year. Stress was forcing us to stay up late, doing homework and studying for exams that make us question how this will be helpful to our future. Social stress, fitting in and finding out who we are is always one thing that follows us throughout our high school years.

We sometimes put aside this stress for some pure fun, like pep rally or participating in the sport or club that we love, or saving energy for the weekend plans that helped us get through the week.

I hope that this yearbook will illustrate all of those times. The times we were stressed, felt lost, the pure happiness and joy. Ideally, it will be a reminder of the year behind us and all that we experienced to get to where we are now.

Grace Aronoff  
Co-Editor-in-Chief

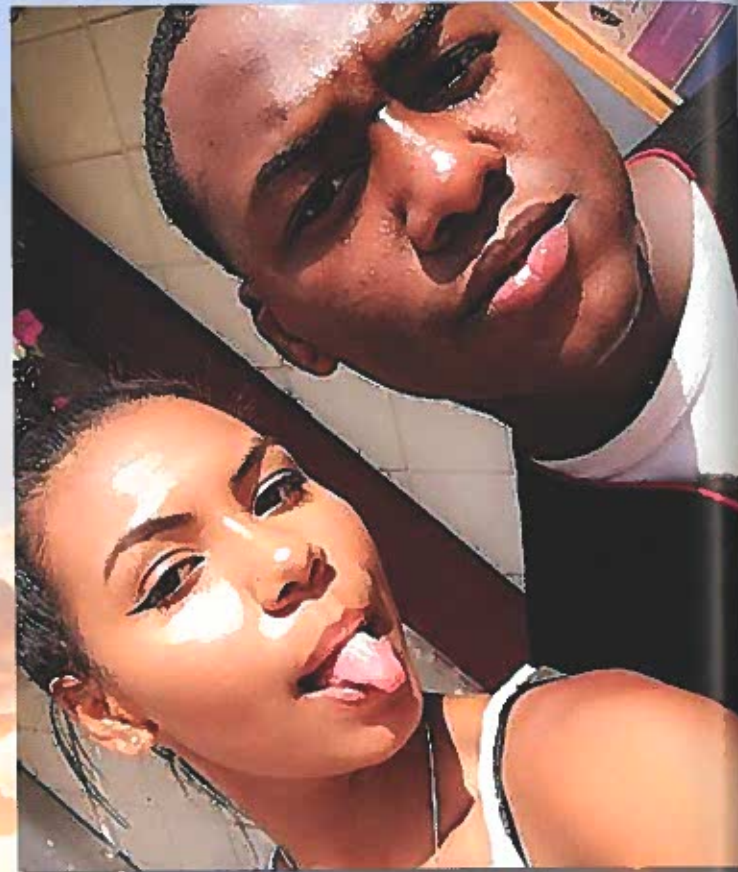

It seems almost foreign, that I'm writing my final words, for me, that will mark the last yearbook of my high school career. This is the last time the Class of 2018 will participate in Spirit Week. This year will be the last time you play on Hastings sports team, or play in the band or orchestra, or sing in chorus, or act in the plays. We had our last pep rally and our last first day of high school. No amount of words or pictures can wrap up Hastings. However, here is our attempt to sum up the 15,552,000 seconds the Class of 2018 has spent here at HHS this year.

# ATHLETICS

# FOOTBALL

I am very proud of the team. This year a lot of new players stepped up and filled in for injuries and graduated seniors. We faced adversity every day and we stayed strong throughout the whole season.

Frank Carozza, Brian Dosin, Justin Caraballo

# HUDSONETTES

We had so much fun on Hudsonettes this season. We did dances to both "Waka Waka" and "We Found Love," and the team was incredible, from the initial summer practices to making the transition between dances so quickly. We'd like to thank our coach, Mrs. Gags, for her undying support these past four years. We've loved our time together as a team and getting to perform for our school!

Samara, Skylar, Julia

# BOYS SOCCER

We'd just like to thank everyone who has showed up to support us this year. We have always held ourselves to high standards, and while we may have not exactly met our expectations, being a part of a program with such great coaches and amazing teammates made this season a memorable one. After winning states last year, the pressure was on us every single game, but we hope the upcoming teams, especially those on the team this year, can bring home another 'chip. We are grateful to have been part of a family, not just a team.

Alex Bourgeois and Willem Bos

# GIRLS SOCCER

Hastings Girls Varsity Soccer enjoyed an extremely successful season back on Burke, thanks to some of the most dedicated ladies at HHS who were always ready and willing to empty their tanks. We had many memorable wins and went over a month without a loss in what was truly a team effort. We're extremely grateful to our coaches, Kirk Bamford and Jessie Hernandez, our families, and our beloved Burke Jerks for their undying support; we can't wait to see what the future of HGVS holds.

Skyler Iosepovici, Samantha Gabay & Ani LeFevre

# GIRLS TENNIS

Two words come to our mind when we think about HGVT: dedication and love. We had one of the biggest teams yet, with sixteen girls ranging from freshman to seniors and yet we thrived as one unit. Our team is truly versatile: we are "strong, athletic, hungry," hard working and always supportive of each other and our community. This year we hosted our first "Ace the Cure" Breast Cancer Awareness match, which will become a tradition in future years. Our season was filled with both wins and losses, cheering on our teammates, going on team trips such as Rockland Bakery and the US Open, and growing together, as people and tennis players. We are proud to say that by the end of the season we were not only teammates, but also best friends and sisters. We will miss everyone off you and can't wait to see the amazing things that HGVT does in the future.

Iyra Chandra and Alex Campson

# BOYS TENNIS

The season has been great with its many returning and new players, as we have been improving every single day and are having a great time doing it.

Elliot Riesman-Tremonte and Arman Kapadia

# FIELD HOCKEY

The four of us are very lucky to have been the oldest members of the varsity field hockey team for two consecutive years now, under the coaching of Ms. Mockler. Over these years, the team has formed a really close bond, while also getting to welcome in a lot of new players. We had a really tough schedule but there wasn't a single game where we didn't go in with full intensity and motivation. I think we would all agree that the season highlight was beating Irvington 5-0 two times. They have been our long standing rivals.

Samara, Becca, Julia, Talia

# CROSS COUNTRY

2017 was a record-breaking year for Hastings Varsity Cross Country. Our girl's team took Gold at the League Championship for the first time since 1999, beating out the Dobbs Ferry girls in the greatest underdog upset since Middle Tennessee in the 2016 March Madness. Our very own sophomore, Caitlin Guilfoyle, took Silver in the Section One Championship landing her a spot at the state championship in Rochester where she faced the toughest of elements. Personal records were crushed almost weekly by this team, mainly composed of committed underclassmen. Hundreds of miles, medals in piles, and endless smiles were achieved by this cutest team at HHS. We would like to thank our coaches: Coach Guilfoyle and Coach Kiely for providing us with bagels and inspiration on the daily. You will be missed HVXC 2017. Your jokes, your hard work, and your uncompromising determination will inspire me for years to come. To my lovely teammates, I leave you with this: "Run like there is a cute dog in front of you and a scary dog behind you." Now go forth my young grasshoppers. Go forth and run the world.

Caroline Fogarty

# GIRLS SWIMMING

This season was a very successful one for the combined swim team of Sleepy Hollow, Hastings, Edgemont and Irvington (SHEDI). From Hastings we had a larger number than normal, six, which was fantastic. Being in the top division this year and competing against amazing teams such as Ursuline and Horace Greeley, we had an outstanding record, winning six meets, losing only two and even tying one (6-2-1). Of the six swimmers we had from Hastings we sent two to Divisionals and one to Sectionals. The team is very close to States in the 200 medley relay, 200 freestyle relay and 400 freestyle relay and we hope to regain our Section 1 champions title at States this year as our season continues on through mid November. Wrapping up my sixth and final year as a varsity swimmer, I can confidently say that it has been an honor to be a part of something as special as this team and I hope in the future Hastings sticks with SHEDI, so all girls who would like to swim can have the opportunity to do so!!

Allison Lemischak

# BOYS SWIMMING

After the departure of some of our top swimmers, we were expecting somewhat of a down year. Instead, we actually ended up having our best season so far, winning divisionals.

Alessandro De Novellis

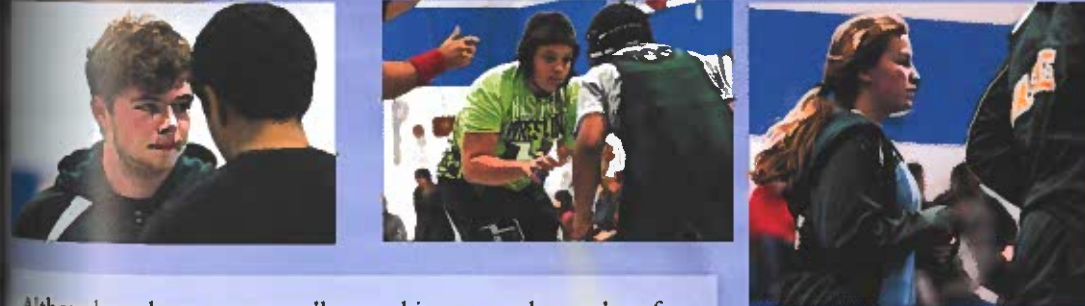

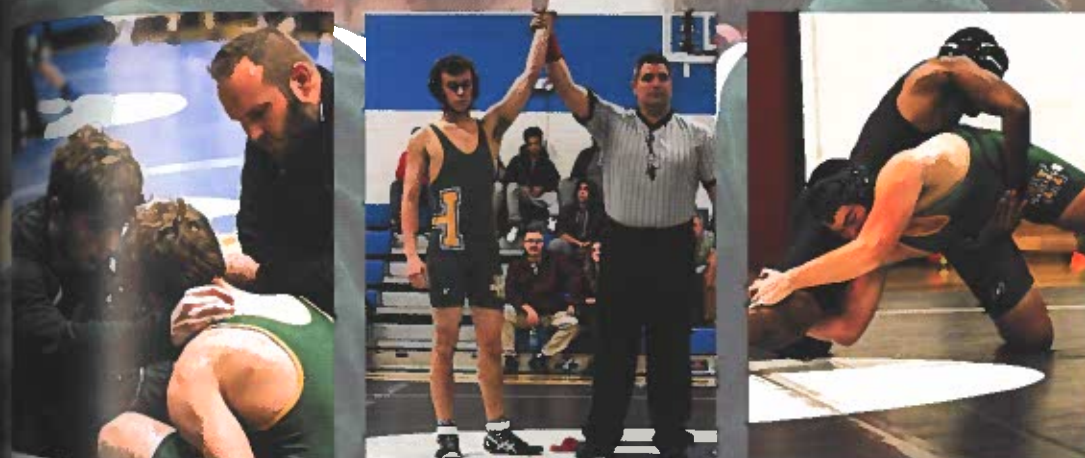

# VOLLEYBALL

This year we had a great season. It was a young team, but we definitely made the best of it, and were able to give some of our younger players an opportunity to be more involved. We played in some tough games, but overall we were able to stick together as a team and keep cheering each other on. We're so excited to see what this team has in store for the future. And a big shoutout to Kehoe for sticking with us and pushing us all to go farther than we knew we could go! From the seniors, we will miss you HGVV!

Captains Zoe Grossman, Chiara Tarricone, Jennifer Caruso, and Teresa Puthiyamadam

# WRESTLING

Although we have a very small team this year, we have a lot of new wrestlers and I am very proud of how we are developing and improving as a team.

Eoghan Murphy

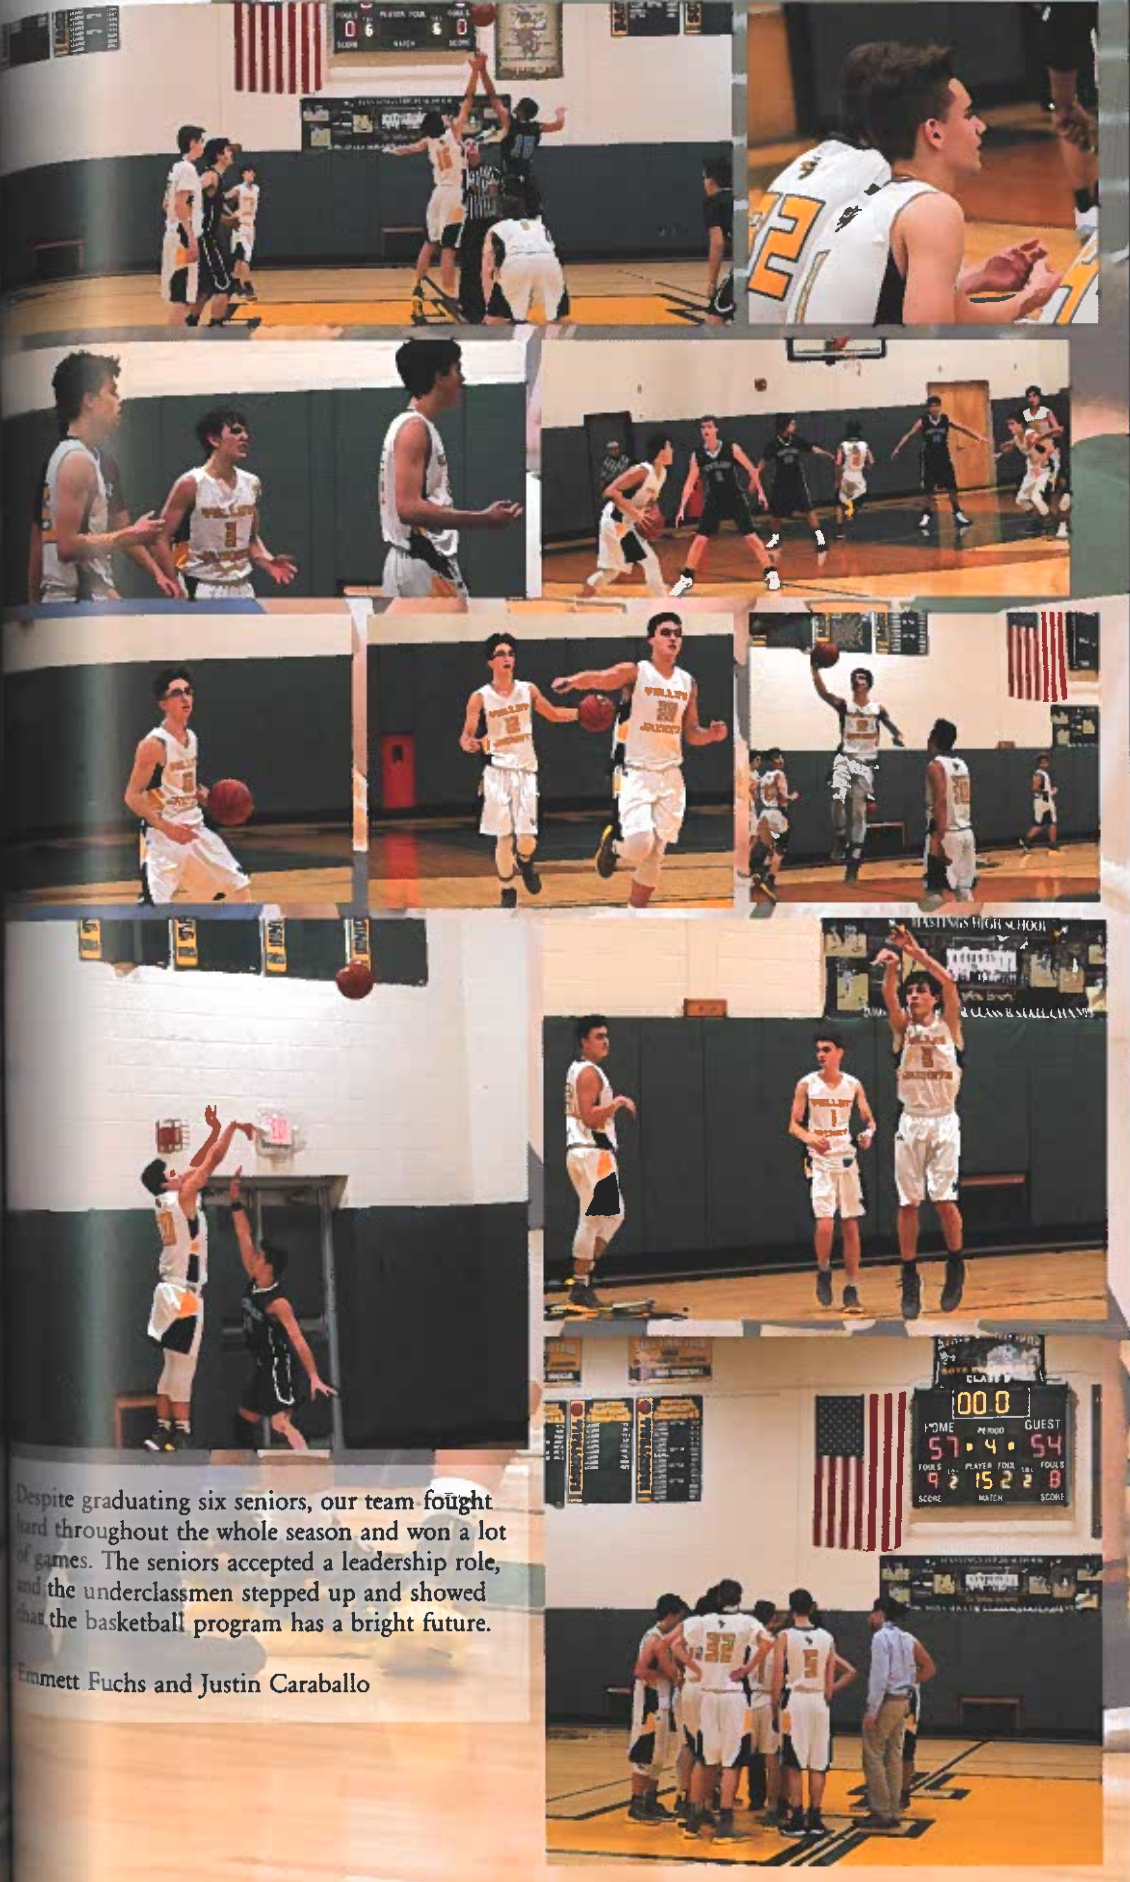

# GIRLS BASKETBALL

There was a whole new vibe this season, the program is on its way to the top!

Mary Kate Kenehan- McCaffrey, Jennifer Caraballo & Ani LeFevre

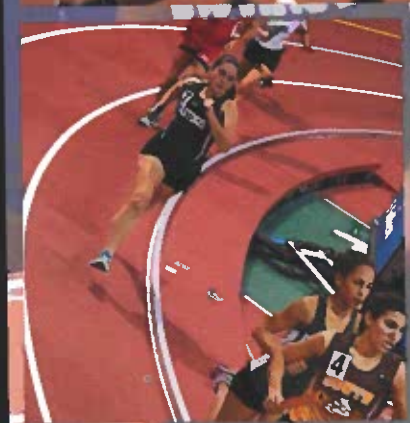

# BOYS BASKETBALL

Despite graduating six seniors, our team fought hard throughout the whole season and won a lot of games. The seniors accepted a leadership role, and the underclassmen stepped up and showed that the basketball program has a bright future.

Emmett Fuchs and Justin Caraballo

# TRACK AND FIELD

# BASEBALL

Although we may not have done as well as we wanted to this season, I would say it was a success. We improved every single day and had a lot of fun while doing it. I mean how can country music, warm weather and sunflower seeds along with playing the best sport in the world not be fun?

Brian Dosin

# SOFTBALL

No weakest link offensively or defensively.

Mary Kate Kenehan- McCaffrey and Alexa Brink

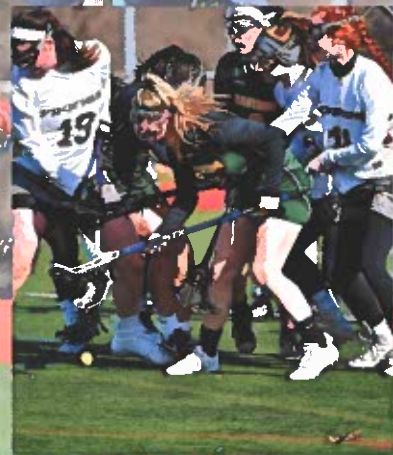

# BOYS LACROSSE

I couldn't image playing my last year of high school lacrosse with a different group of guys.

Brendan Beazer

# GIRLS LACROSSE

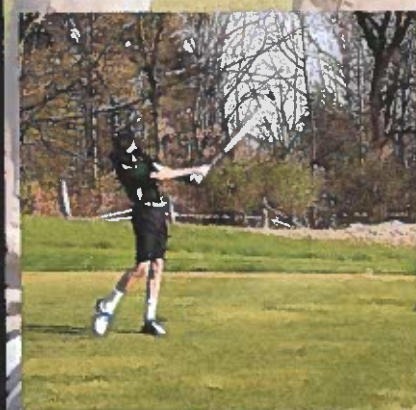

HGVL had a great season and we couldn't be happier to have spent our final year with this team. Thank you to our coaches and all the girls, especially the younger girls on the team who stepped up this year, for making our final season so fun!

Samantha Gabay, Tula Schapiro & Rebecca Litsky

# GOLF

The golf team looks strong this year. We have eight players, two more than last year and are improving our gold game everyday.

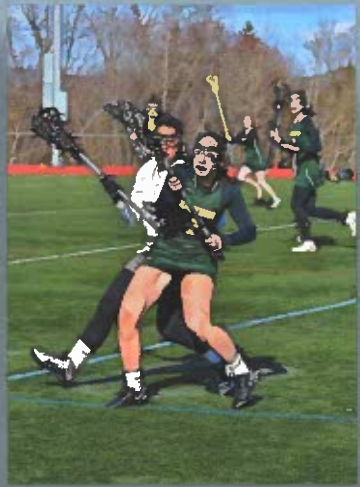

Franco Fugel

It was a good first season for Ice Hockey. It was fun playing with different schools on the same team.

Danny Osband

Another great year  
 for the Hastings  
 Alternative School  
 Program!

Congratulations  
 to the  
 HASP senior  
 graduates!

Another year, another yearbook.

We laughed, we cried, we watched High School Musical 2 for inspiration.

It's never an easy job to try to summarize a whole year's worth of fun, friends, events, jokes, and victories between these two covers. Nevertheless, here we are, a ragtag band of friends and peers ready to take on the challenge and work hard at work worth doing.

It reminds me a bit of Troy, Gabriella, Taylor, and Chad arriving at Lava Springs with a spring in their step, ready for anything. But life is hard, and sometimes people are shaped by their circumstances, and sometimes we lose our way.

But if there is anything to be learned from HSM2, it is that while we are hurtling forward into the future we should always remember where we came from. If we play our cards right, and remember who we are, there will be an awesome pool party in the end and Miley Cyrus will randomly show up.

Special thanks to my co-advisor Nancy Gagliardi, who does all the *hard* work.

Brandon,

We could not be prouder of the young man that you have grown into. You have given us so many moments of joy and laughter. Keep your sense of humor, your compassionate nature, your ability to see beyond the moment and yourself. Keep your feet on the ground, eyes on the ball, and head on a swivel. Do what drives you, and leave everything you have on the field, no regrets,

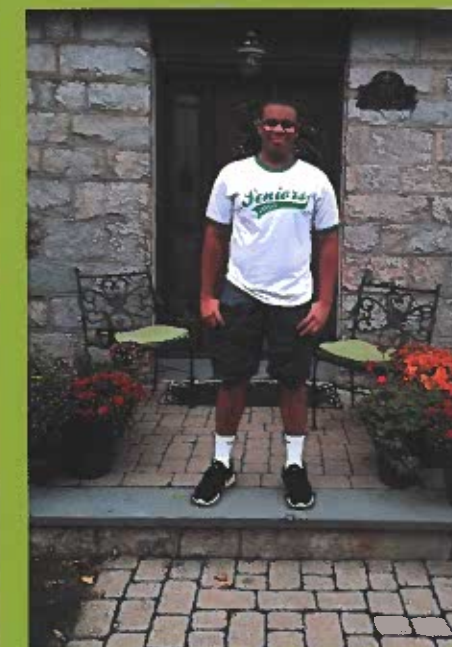

With love from Mom and Dad,
