## Dedicated to BUZZ

"When you are a part of an amazing school, rather a family such as Hastings High School it is easy to become engaged, enthusiastic and want to shout out with pride! I had the opportunity to convince the administration to purchase our first High School mascot. I was even lucky, rather honored to be the first one in costume and show off the pride for my school, my friends, my family! Once a Hastings family member, Always a family member of Hastings! GO YELLOW JACKETS!" (Buzz, 1997)

"I remember the first time I put on the costume, (the older suit, which my family nicknamed "Sad Bee", because of the sagging antennas), I was pretty nervous. I am not someone who'll get up to dance and I don't like being the center of attention, but it was different when I put on that suit. Buzz has his own identity. It felt really good high-five-ing the younger kids who were so happy to see the furry giant and hyping up the crowd during time-outs. Becoming "Buzz" taught me the benefit of school spirit. Although it has been years since I put on a mascot suit, I still remember those days fondly, and being "Buzz" gave me some unforgettable experiences." (Buzz, 2015)

"To me, being Buzz meant making sure everyone was having fun at every different event, whether it be Pep Rally, Homecoming games, or basketball games." (Buzz, 2019)

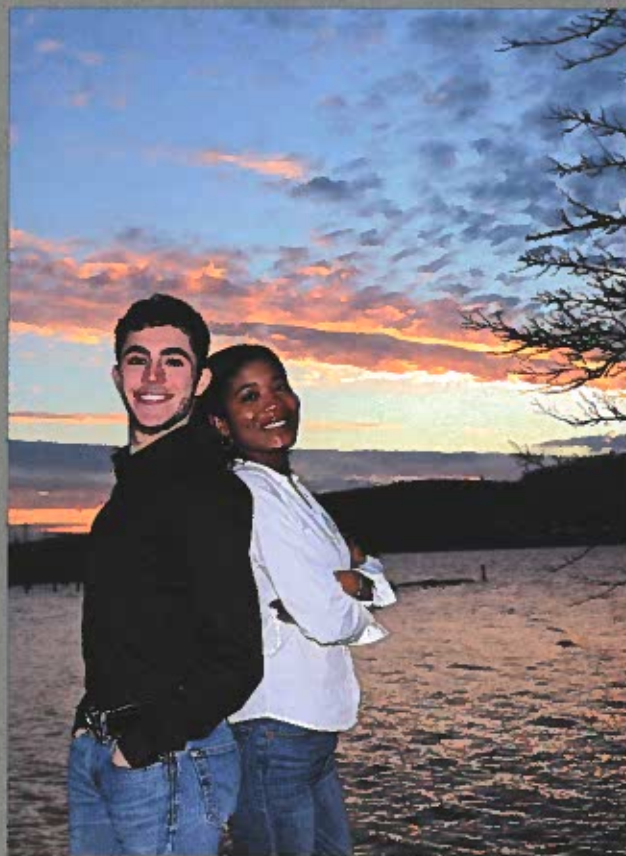

# Editors

For many of us seniors, this year can be summed up by feelings of stress, accomplishment and nostalgia. Senior year is a year full of looking back on our memories throughout high school. We hope we were able to do a good job at conveying all of the emotions of this year within these 160 pages. We wanted to capture every moment, from the first day of school excitement to pep rally screaming to sports games cheers, and various theater performances.

This year's yearbook staff has been wonderful yet very small. With one editor who was in the physical class and another who was not, we definitely faced lots of hardships while finishing this book. From Friday lunch meetings where we frustrated Mr. Merchant, to tight deadlines, our partnership as editors has required great collaboration and commitment. We are honored to have created this book that so many of you will look back on in the coming years. We hope you enjoy it!

Sabrina Fein and Isabella Patitucci  
Co-Editors-in-Chief

We, Aniya Matthews and Sander Tancredi, want to say that it has been such an honor to be elected as Co-Presidents of the Student Union this year. This position has taught us so many valuable things and brought about so many amazing opportunities. As the heads of SU, we were proud to represent Hastings High School and all of the exciting and innovative qualities that the school is characterized by. We are so thankful to have been able to embark on this journey together.

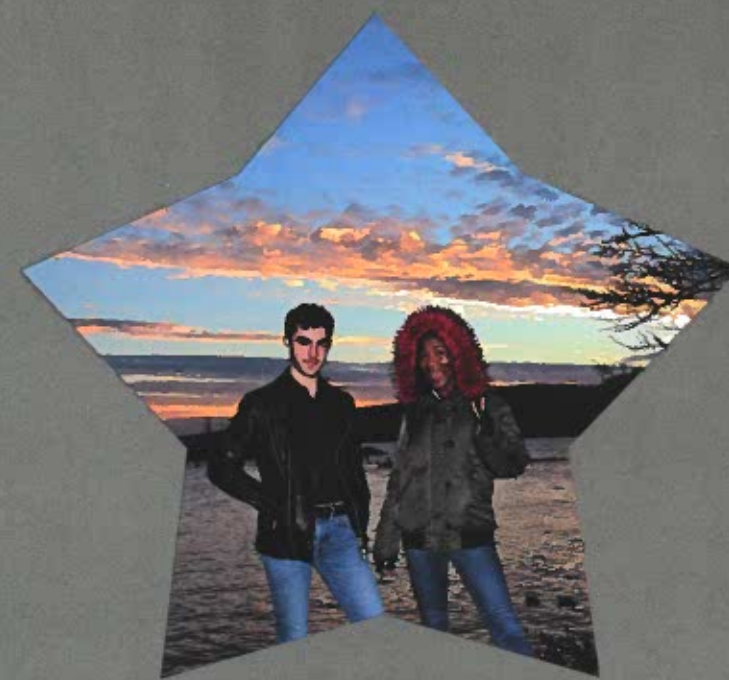

Over the past four years, Hastings High School has given so much to the Class of 2019. We are incredibly proud to be a part of such an enthusiastic, talented, and creative grade. Our sense of unity and kindness towards one another have always made us stand out and contributed to our positive achievements as a class. As the Class of 2019 moves on to bigger and better things, we are excited to see the amazing accomplishments that we will all make. The future ahead is bright and promising for each and every one of us. We want to thank our peers as well as the entire Hastings High School faculty for all that it has given us over the course of our high school careers.

We would like to specifically thank Mr. McCann, Mr. Scotch, Mr. Adipietro, Ms. Hardesty, Mrs. Gagliardi, and Ms. Porter for supporting us in everything that we were able to do in this position. We wouldn't have been able to accomplish anything without them and we are forever grateful for them! In the rare case that one or both of us isn't famous by the time our ten-year reunion comes around, we hope to keep in touch with each and every one of you as we begin the next chapter of our lives.

thank u, next

Aniya Matthews and Sander Tancredi

(A special little gift from us to you: this will be worth a fortune one day)

# ATHLETICS

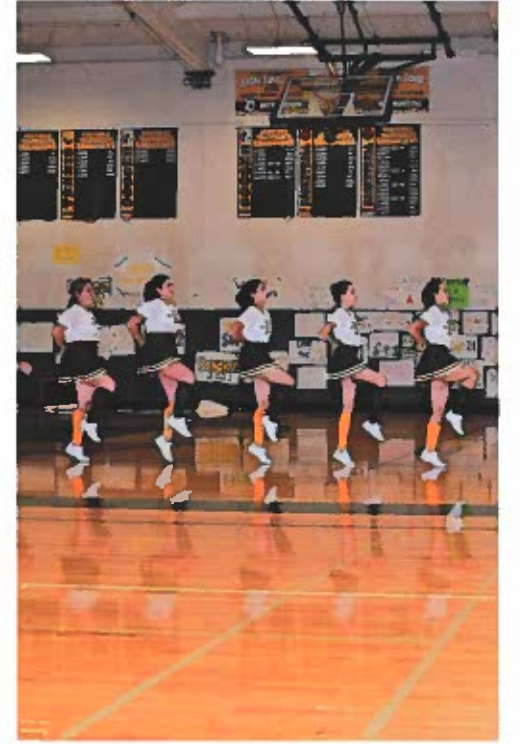

# Football

"We weren't going to have a team this year. On the third official day of practice, we had 11 guys and a merge with Edgemont was the "only option." But we didn't want to wear another name across our chests. I am proud of all of these guys who came out and fought their hardest. I am proud to say Hastings Football is finally looking up and I am grateful to have been a part of it." -Sebastien Scioscia

# Hudsonettes

"Our season, though short, was an amazing experience and a great way to end our time on Hudsonettes. We worked really hard over the summer and accomplished more than we could have ever imagined. We would like to thank Ms. Gagliardi for always being there and supporting us! We're so lucky to have been a part of this team for the past few years." -Nia Dougherty, Aniya Matthews, Isabella Patrucci, and Carrina Spinozzi

# Boys Soccer

"I would like to thank the coaching staff and most importantly the players for a wonderful 2018 season. The seniors played an integral part of the team this year and will be greatly missed. I am optimistic about the team next year with a strong group of underclassmen and very excited to begin again next fall. Catch us at States 2019!"  
- Julian Jacobs

# Girls Soccer

"We had an amazing season full of hard work and determination. We are so proud to have been apart of this team for so many years!" - Tia Abi Rizk, Ani LeFevre, and Julia Spenser

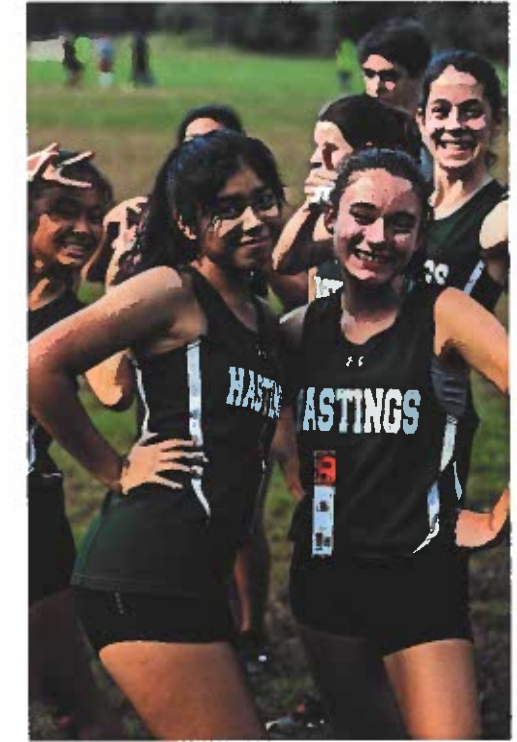

# Field Hockey

"We worked very hard as a team during the pre-season. We started with a search for a coach, but we can't thank Mr. Merchant and Mr. Wendoll enough for stepping up to the challenge. As a team we grew very close towards the end and our relationships helped us on the field. Special thanks to our goalie Hannah Sperber for always having our back with more than 200 saves this season, it was one of the best." - Carrina Spinozzi, and Anya van Hoogstraten

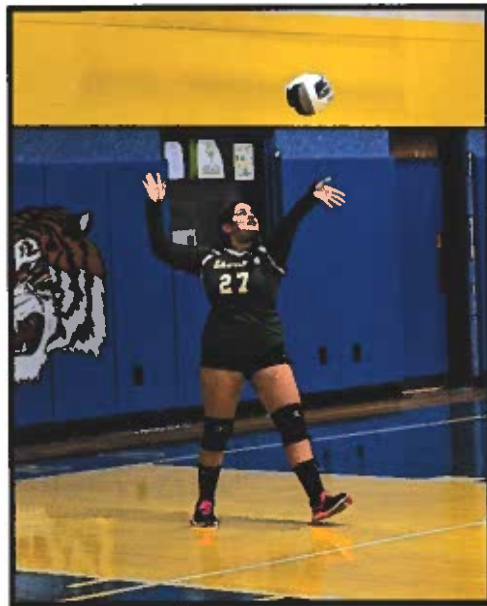

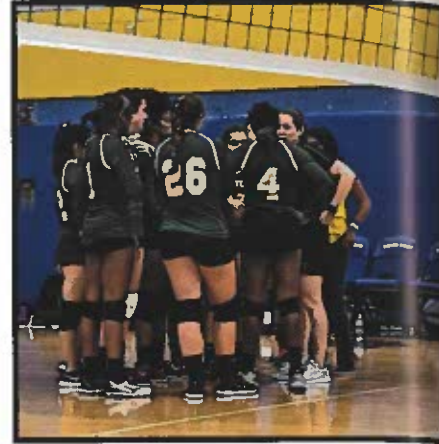

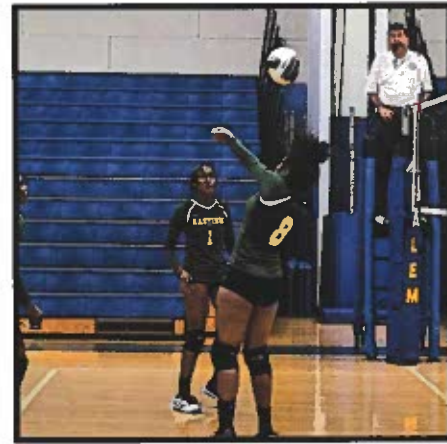

# Cross Country

"This year has been one big roller coaster. Each member of this little family worked hard everyday at practice and at meets. We have a lot to be proud of. At the Scarsdale Invitational, everyone set personal records and at practices, some ran as far as 10 miles. I am going to miss this little family I have been able to run with for 4 years. I'm especially going to miss the knockoff 7/11 runs after Bowdoin. I love all of you so much and I know you will make me proud. Go off and do great things. I will miss you." - Sarah McSweeney

# Volleyball

"This was a huge season of growth for our team. Although we only had one win this season, all of our games were very competitive and we had a lot of fun!" - Jennifer Caruso and Teresa Puthiyamadam

# Indoor Track

We want to thank the four devoted coaches for an amazing season!! Everyone put in all their effort and we broke many school records. As a team, we pushed through hill sprints, blizzards, and late nights at the Armory, but we all were in it together and supported each other! Thank you for an amazing season for the seniors and captain Joerger is ready for next year!

- Julia Spenser, Isabel Duchin, and Jude Joerger

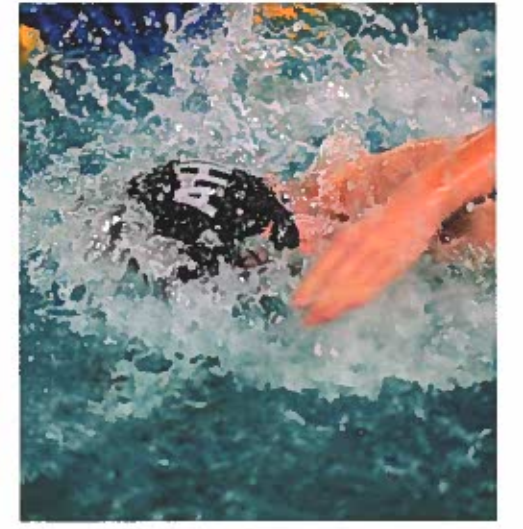

# Girls Swimming

"This year the girls varsity swim team had one of its best seasons yet with a regular season of 8-1 and winning sectionals as well as conference champions. Although we only had three girls from Hastings this year, there was an amazing group of girls outside of us with so much love and support to get us where we ended up! Let's go SHEDI!!!!"-  
Marissa Minozzi

# Boys Swimming

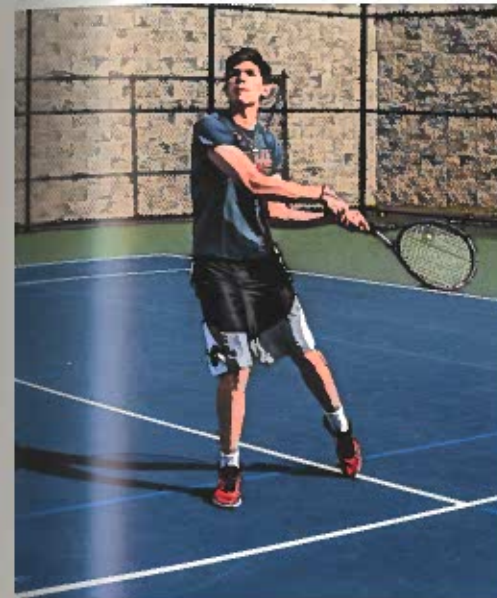

# Girls Tennis

"Thank you so much for an amazing season, ladies. Hastings Girls Varsity Tennis is a wonderful group of strong, empowered women. Although we may not always win, we have the best cheers around. Thank you to our coach, Ms. Gizzi. Best of luck next year!" - Eliza Dolgins and Molly Gouran.

# Varsity Boys Tennis

Our varsity tennis team has been very impressive this Spring. With a very similar team as last year, plus a couple of younger power additions, our team is very athletically talented. Through our daily practice, we have been constantly adapting from our mistakes and are quickly becoming an exceptional team.

-Arman Kapadia and Elliot Riesman-Tremonte

# Girls Varsity Basketball

This year, our team wanted to make noise and let the section know that they needed to take HGVB seriously because we were coming out hard. As a team, we made a goal and made sure that we held each other accountable. We all wanted the same thing for the season, which was what made us so successful. This season paved the way for the future of Hastings girls basketball, and we couldn't be happier to have been a part of this team for so long. We will forever be grateful for HGVB.

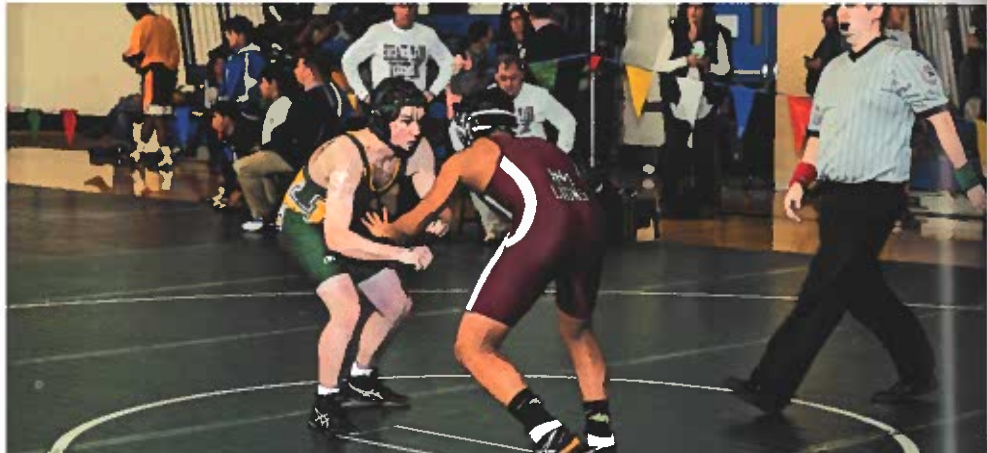

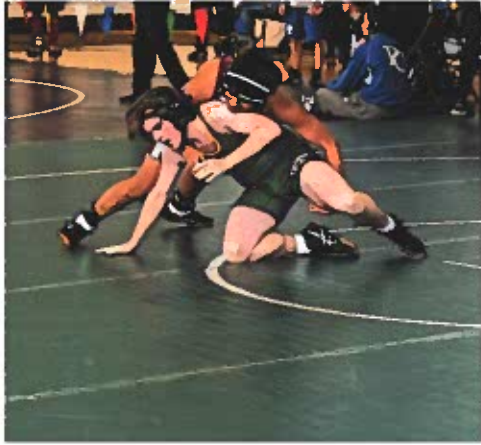

- Ani LeFevre, Jennifer Caruso

# Boys Varsity Basketball

We had a very successful basketball season, ending with a 17-5 record and a league championship. We grew a lot as a team and all became very close, and the Hastings Basketball program will keep building on 4 great seasons and will continue winning.  
- Emmett Fuchs, Sebastien Scioscia

# Wrestling

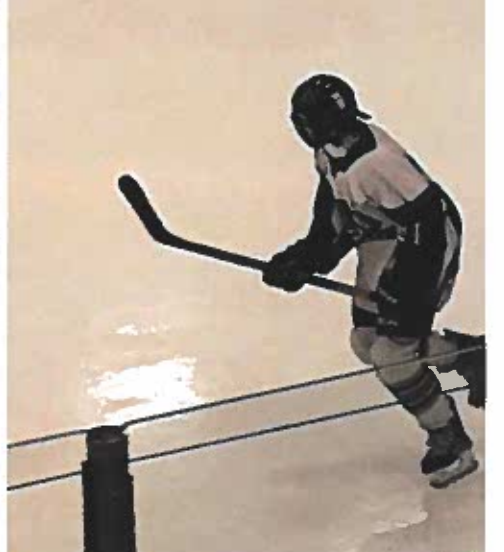

Although the season didn't go the way many of us would have hoped it would, it was still an amazing season. I'm proud of what everyone on the team did this year and I am beyond grateful to have been a part of this program for the past 4 years.

- Eoghan Murphy

# Hockey

# Boys Varsity Lacrosse

The lacrosse team came a long way since last year. We worked through adversity and made something of our season. Hastings Lacrosse is heading in the right direction.

- Sebastian Scioscia and Matthew Heinlein

# Girls Varsity Lacrosse

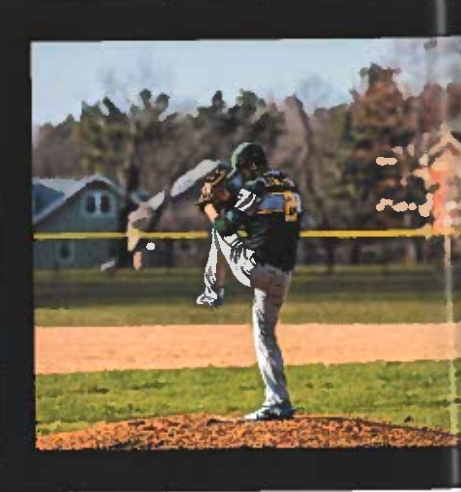

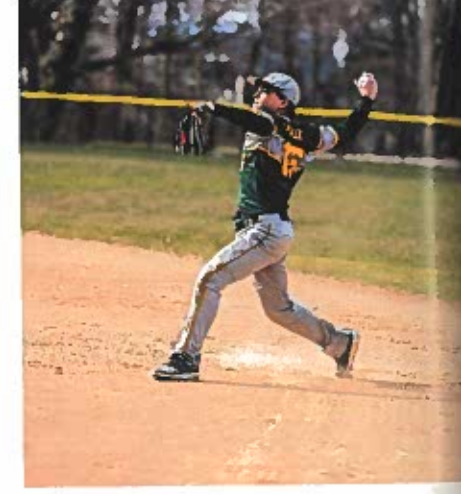

This year we've really emphasized the significance of "team." We've been really striving to make meaningful relationships. In the past we've definitely struggled with that, but this season everyone is friends and we've been able to keep it fun and exciting. Although there's a lot of new faces on the varsity squad, the girls have really added an exciting aspect to our team. This is the closest we've ever been. It's not a practice if no one is laughing hysterically at the end.

- Isabel Duchin, Ali Manly, Kristina Caruso, Clara Lima

# Baseball

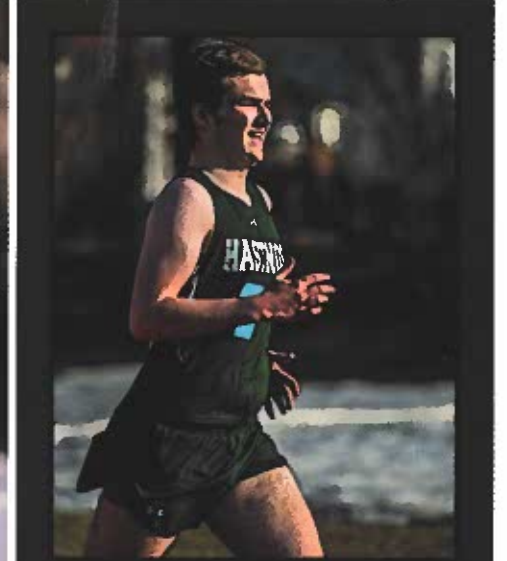

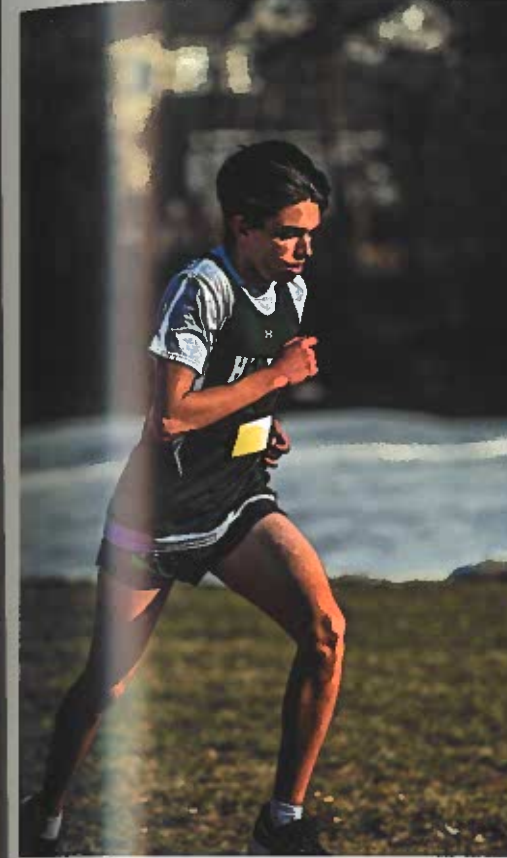

Every player has an immense amount of talent and we consider ourselves more of a family than a team. Over the past few years we have seen every players' talent grow as our relationships grew stronger, both on and off the field. Thank you to our coaches for giving us this opportunity to strive. ALL IN!

- Jennifer Caruso, Catrina Spinozzi, and Roisin Harpur-Reid
